

FOR IMMEDIATE RELEASE

GREENBERG GROSS RANKED AS A "BEST LAW FIRM" BY U.S. NEWS MEDIA GROUP AND BEST LAWYERS®

COSTA MESA (November 1, 2013) – Greenberg Gross LLP is pleased to announce that it has been ranked in the 2014 edition of "Best Law Firms" by *U.S. News Media Group* and Best Lawyers® for the metropolitan area of Orange County in the practice areas of Commercial Litigation and Criminal Defense: White-Collar. Firms included in the list are recognized for professional excellence with persistently impressive ratings from clients and peers. Achieving a "Best Law Firms" ranking signals a unique combination of quality law practice and breadth of legal expertise.

Since its inception a mere seven months ago, Greenberg Gross LLP has already garnered accolades and trial victories. Both founding partners, Alan Greenberg and Wayne Gross, were recently selected for inclusion in The Best Lawyers in America® 2014 (Copyright 2013 by Woodward/White, Inc., of Aiken, SC) for the practice areas of Commercial Litigation and White Collar Criminal Defense, respectively. In addition, the firm recently celebrated a trial victory where Alan Greenberg obtained a defense verdict in a jury trial representing a digital marketing company that was sued for alleged fraud and breach of contract.

The 2014 rankings are based on the highest number of participating firms and highest number of client ballots on record. To be eligible for a ranking, a firm must have a lawyer listed in The Best Lawyers in America®, which recognizes the top 4 percent of practicing attorneys in the US. Over 12,000 attorneys provided over 330,000 law firm assessments, and almost 7,000 clients provided close to 20,000 evaluations. In addition, to provide personal insight, a new Law Firm Leaders Survey was implemented in the decision-making process.

"Because we combine hard data with peer reviews and client assessments," says Steven Naifeh, President and Co-Founder of Best Lawyers, "more and more clients inform us ours are the most thorough, accurate, and helpful rankings of law firms ever developed."

Prior to forming Greenberg Gross LLP, the partners grabbed national headlines for winning a \$50 million jury verdict in a partnership dispute regarding iconic Hollywood Properties, including the world-famous Palladium. Greenberg Gross LLP is headquartered on the 17th floor of the Center Tower building in Costa Mesa. Since its formation in April 2013, the firm has grown to eight lawyers, representing both plaintiffs and defendants in high-stakes business cases.
