GREENBERG GROSS FOUNDERS SELECTED AGAIN FOR INCLUSION IN BEST LAWYERS

COSTA MESA (August 18, 2014) – Alan A. Greenberg and Wayne R. Gross, the founding partners of Greenberg Gross LLP, were selected by their peers for inclusion in *The Best Lawyers in America*® 2015. Alan Greenberg was selected for the practice area of Commercial Litigation; Wayne Gross was selected for the practice area of White-Collar Criminal Defense.

Inclusion in *Best Lawyers* is based on peer nomination and polling of leading attorneys about the professional abilities of their colleagues within the same region and practice areas. “We are honored to be selected for inclusion in *Best Lawyers* again,” said Alan Greenberg. “That our peers deem us to be among the best at what we do is extremely gratifying.”

With an impressive client list of public companies, prominent law firms, nonprofit organizations and high-level executives, the rapidly growing Orange County litigation firm founded by Greenberg and Gross has been ranked in the 2014 edition of “Best Law Firms” by U.S. News Media Group for the practice areas of commercial litigation and white-collar defense. The firm’s many victories include winning a seven-figure jury verdict on behalf of a client defrauded out of his share of the \$43 million sale of a chain of dialysis centers, a defense jury verdict for a company sued for alleged fraud and breach of contract, and a defense verdict in a bench trial of a securities fraud case.

Prior to forming Greenberg Gross LLP, the partners grabbed national headlines for winning a \$50 million jury verdict in a partnership dispute regarding iconic Hollywood Properties, including the world-famous Palladium. Greenberg Gross LLP is headquartered on the 17th floor of the Center Tower building in Costa Mesa. Since its formation in April 2013, the firm has grown to ten lawyers, representing both plaintiffs and defendants in high-stakes business cases.
